ePath Learning, Inc. Announces Partnership with iCIMS

Leading web-based learning management and talent acquisition solution providers team up to offer extensive recruiting and onboarding services for the new era of recruiting

New London, CT. (July 16, 2015) – ePath Learning Inc., a leading provider of cloud-based learning management solutions is proud to announce their recent partnership with iCIMS, a leading provider of Software-as-a-Service (SaaS) [talent acquisition solutions](#).

The partnership of ePath Learning and iCIMS will provide a valuable link between the latest tools for talent acquisition including social, mobile, and video, and Cloud-based technology for enterprise learning management and talent development.

The two technology offerings provide a hand and glove solution to Human Resources professionals as they seek to identify, hire, grow and develop the future leaders of their companies. The world of recruiting and hiring are changing drastically, making it increasingly important for employers to have the best technology solutions to effectively bring the right talent into their organizations and develop that talent to meet current and future needs.

“We are really excited about this partnership,” stated Chuck Hellings, Vice President, Business Development, ePath Learning. “People are the only competitive strategic advantage that any company really has. Through this partnership we can provide complimentary cloud-based technologies that manage the identification and acquisition of talent while also supporting that talent’s development. Our relationship with iCIMS is about sharing best in class of complimentary applications in support of adding superior value to our clients overall.”

“Today, recruiting is defined by disruptive new technologies and evolving candidate behavior,” said iCIMS Senior Vice President of Corporate Development, Mike Wilczak. “Employers aiming to provide an engaging and efficient candidate experience followed by an easy and informative onboarding process need the latest tools to help them do so. iCIMS is focused on offering the best recruiting software solution along with a vast array of partnerships to create an ecosystem of leading service providers within the HR space. We are proud to add ePath to this growing partner ecosystem.”
