## **ePath Learning Announces Partnership with Biz Library**

March 9, 2015, New London, CT - ePath Learning, Inc., a leading provider of cloud-based learning services, is pleased to announce its partnership with Biz Library, an award winning provider of off-the-shelf eLearning content. The partnership extends ePath Learning's current off-the-shelf content catalog to include well over 2,000 online employee training videos and courses covering business topics such as communication skills, leadership and management, sales and customer service, compliance training and much, much more. ePath Learning will deliver Biz Library's content through its award-winning Learning Management System, ePath Learning ASAP.

"Biz Library is dedicated to finding the best possible partners to extend our content distribution, and ePath certainly fits that description. We are very pleased with this agreement, and we are very happy to have a partner that – like us – is intent on delivering high-quality solutions to the market. We believe it's going to be a very successful partnership," said Chris Osborn, VP of Marketing for Biz Library.

"We really like the content, media, and business model that Biz Library offers," stated Chuck Hellings, ePath Learning's Executive Vice President of Strategic Business Development. "We are proud to offer our clients access to a plethora of high quality eLearning courses from an organization that is recognized as a leader in the online training industry. We look forward to bringing these exciting course offerings to market as we continuously strive to enhance the strategic value of the services that we provide to our clients."
