ePath Learning Announces Fiscal Year 2015 and First Quarter 2016 Financial Results

May 13, 2016, New London, CT. -- ePath Learning Inc., a leading provider of cloud-based learning technology solutions, today announced positive end of fiscal year 2015 and first quarter 2016 results. ePath Learning experienced an increase of 15% from fiscal year 2014 and reports record breaking revenue for Q1 of 2016.

"We ended fiscal year 2015 on a high note with strong revenue across our learning management technology and professional services lines. Demand for our services continues to rise, as do our competitive win rates," stated Dudley Molina, President and CEO, ePath Learning, Inc. "Starting the year with record breaking revenue, we are well positioned to continue our investments in engineering and service to deliver innovative learning technology and content that allow customers to drive employee engagement, performance and productivity in new and transformative ways."
