

ePath Learning, Inc. Named a 2014 Best of *Elearning!* Finalist

September 3, 2014- [ePath Learning, Inc.](http://www.ePathLearning.com), announced today that they have been named a “2014 Best of *Elearning!* Finalist.” ePath Learning’s ASAP LMS earned this prestigious award in the “Best Learning Management System (Cloud/SaaS)” award category. ePath Learning ASAP is known to be the longest running, single-instance, software-as-a-service solution in the industry today. ASAP enables businesses to develop, deliver, manage, and measure their training anywhere, anytime; while effectively reducing overall training costs. ASAP includes social networking functionality designed specifically for business. It empowers employees to contribute, collaborate, share information, connect with colleagues, and enhance informal learning opportunities throughout the organization.

Elearning! Magazine, the industry voice of the enterprise learning and workforce technology market, is committed to recognizing innovation and user satisfaction across solution providers. Readers and professionals from both the public and private sector cast more than 3,000 nominations for the best-in-class solutions across 27 product categories. This year, 89 individual products and solutions have been named as finalists.

“It gives us a great sense of pride that our clients have nominated ePath Learning’s ASAP for this highly coveted award” stated Donna Lord, Vice President, Sales and Marketing, ePath Learning, Inc. “Not only do we feel a great sense of accomplishment for achieving this award, but we’re also humbled by the sheer sense of devotion that our users have demonstrated by nominating us.”
