

FOR IMMEDIATE RELEASE

ePath Learning, Inc. Named a 2015 Best of *Elearning!* Finalist

November 16, 2015, New London, CT - ePath Learning, Inc., announced today that they have once again been named a “2015 Best of *Elearning!* Finalist.” In fact, ePath Learning has been a Best of *Elearning!* recipient three of the last four years in the extremely competitive Best LMS (Cloud/SaaS) Category. ePath Learning’s ASAP is known to be the longest running, single-instance, software-as-a-service solution in the industry today. ASAP enables businesses to develop, deliver, manage, and measure their training anywhere, anytime; while effectively reducing overall training costs. ASAP includes social networking functionality designed specifically for business. It empowers employees to contribute, collaborate, share information, connect with colleagues, and enhance informal learning opportunities throughout the organization.

Now in its 11th year, the Best of *Elearning!* Awards are the only user’s choice awards in the enterprise learning and workplace technology market. All of the nominations are user nominated and selected, and as such, being nominated is a true testament to user appeal and satisfaction in an ever growing competitive marketplace.

“It gives us a great sense of accomplishment that once again our clients have nominated ePath Learning’s ASAP as a best in class learning management solution” stated Donna Lord, Vice President, Sales and Marketing, ePath Learning, Inc. “We are humbled and thankful by the dedication and commitment our users have demonstrated by nominating us.”
