FOR IMMEDIATE RELEASE

ePath Learning Named in FrontRunners Quadrant for LMS Software

July 31, 2017 New London, CT - ePath Learning, Inc., announced today that ePath Learning's ASAP has placed as a Contender on the FrontRunners quadrant for LMS software. ASAP is known to be the longest running, single-instance, software-as-a-service solution in the industry today. ASAP is an online learning management system that enables businesses to develop and deploy online training and educational programs for employees, partners and customers.

"We're honored to have made the FrontRunners quadrant. Out of the 297 learning management products evaluated, ASAP was chosen as a top performer. This is a true testament to the functionality and value that our learning management technology provides," said Donna Lord, Vice President, Marketing and Product Management, ePath Learning, Inc. "Congratulations to our ePath team. It's their dedication that enables us to deliver and support our award-winning technology and services."

FrontRunners is published on Software Advice, a trusted resource for software buyers. FrontRunners evaluates verified product data and end user reviews from softwareadvice.com, capterra.com and getapp.com, positioning the top scoring products based on capability and value for small businesses. The FrontRunners quadrant for LMS software is available at http://www.softwareadvice.com/lms/#top-products.

About ePath Learning:
