

FOR IMMEDIATE RELEASE

ePath Learning Named to INC. 5000 for Fourth Year

August 23, 2012 - ePath Learning, Inc., a leader in cloud-based learning services, was recognized for a fourth consecutive year by Inc. Magazine in their INC. 500/5000 program, an exclusive list of the nation's fastest-growing private companies.

ePath Learning continues to experience consistent growth in its cloud-based learning management system, ePath Learning ASAP. ASAP enables businesses to create and manage a learning portal for their employees or external learners. ePath Learning also provides the highest degree of one-on-one customer service in the industry, ensuring clients get the most from the technology and providing the greatest impact to their training programs. ePath Learning ASAP enables businesses to develop, deliver, manage and measure their training anywhere, anytime while reducing the time and cost to train.

“We are all very excited to make the Inc. Magazine list for a fourth consecutive year,” said Charles Hellings, EVP of Sales and Marketing, ePath Learning. “Doing more with less is a new business requirement of our economic times. Applying cloud-based technology like ours in learning and development just makes sense. The time to do this has never been better and it is reflected in our growth in revenue and market share. We help improve performance and margins both at the same time.”
